

WHAT IS PARISH GIVING?

An Electronic Giving Program that enables parishes to increase offertory by 25% on average

- it normalizes your offertory so there's no more missed offerings due to sickness, weather, vacations, or snowbird migrations
- it also alleviates administrative costs and time of counting and processing envelopes
- provides an incredible 98% average remittance to the parish

Parish Giving is easy and convenient for parishioners

- it lets them have weekly offerings automatically debited from checking account or credit card
- no more forgetting to bring the checkbook or having to stop at the ATM on Sunday morning
- they choose how much & how often to give, and what payment method to use
- they can also make special offertory donations for capital campaigns, special events & holy days, and second collections
- Parish Giving is the ONLY program that lets parishioners choose the day of the month that works best for them, which helps increase donations
- religious education and school tuition options encourage timely payments

Parish Giving is easy for the church

- to get started, simply give us a voided check for the contribution account, and a list of contribution types
- we then add a link to your parish website for the Parish Giving program
- that's it...the program is now operational!
- but we don't just leave you at this point - we also provide customized materials to help you get parishioners using the system:
 - Talking points for the Finance Council to promote the program at mass
 - Parish announcement letters, brochures and posters
- promotional materials and a year-round action plan are provided

WHY PARISH GIVING VS. THE COMPETITION?

Parish Giving is the easiest and most cost-effective electronic-giving program available

- integrates with popular church financial software like Parish Soft and Parish Data Systems
- easy and convenient for parishioners to set up and use – and the ONLY program that lets them choose the day of the month to donate
- aside from the low credit card and bank rates, Parish Giving is only \$1 per month for each participating parishioner
- Parish Giving's Customer Service is the best in the business - each and every interaction with a parishioner and church staff member is helpful, cheerful, courteous and respectful
